Dear Dr. O'Keefe,

On behalf of the American Red Cross Dental Clinic and those we serve, I want to thank you for the hours you have volunteered in 2009. The time and talent you share make it possible for many to receive much needed dental care that they would otherwise go without.

The past year you volunteered 9.25 hours providing direct dental care to the patients of the American Red Cross Adult Dental Clinic.

Again, on behalf of those who received care, thank you for all you do.

Sincerely,

Shirley Bisciglia
